Professional Experience

Forty one years comprising positions held as Director, Senior Professor, Dean, Professor, Research Coordinator, Chairman Financial Management Division, IPE; and Lecturer in Economic Administration and Financial Management, University of Rajasthan. IPE is a leading management research, education, consultancy, and training institute supported by Indian Council for Social Science Research (ICSSR), Ministry of Human Resource Development, Government of India. As Director, IPE, the responsibilities entrusted relate to leading networking, planning, expansion management, research, consultancy, management education, training and management development, interacting with an interdisciplinary group of colleagues, and creating competitive advantage for institutional building. During the course of association with IPE, frequent interaction takes place with global organizations, inter-regional organizations, regional organizations and organizations in India such as the civil service machinery, public and private enterprise CEOs and managers, Planning Commission, Finance Commission, educational planners, institutions and global organizations. Linkages have to be maintained with regulatory organizations (AICTE, UGC, State Authorities) and apex business bodies such as CII, FICCI, FAPCCI, ASSOCHAM, etc. Nominations on various international bodies, government and non government committees, enterprise boards, national and international publications, have been some salient features. The stints as visiting professor at London Business School, Maison De Science Dela' Homme, and University of Bradford, Faculty of
